LA GRANDE TABLE

Designed by Xavier Lust

Overcoming the limits of matter by production systems that allow the creation of objects with innovative volumes is the creative approach that distinguishes the work of Xavier Lust, Belgian designer and sculptor. La Grande Table, a table made from a single sheet of aluminium, curved, and painted, only 6 mm thick, bears his signature. Available in 3 finishes - aluminium, matt white, glossy white - La Grande Table reaches a length of 4.4 metres, accommodating up to 12 people.

Essentiality and timeless design allow this table to fit into the most varied outdoor contexts, gardens, terraces and dehors, while always maintaining its strong identity.
