MINIMA 3.0 SKETCH

Designed by Bruno Fattorini

Minima 3.0 by Metrica - design Bruno Fattorini.

Born as an evolution of the Minima 3.0 system, the Sketch version is a collection of hanging bookcases that offers maximum expressive freedom in all the areas of the house. Available in 5 configurations of different width and height and in 4 colours options - white, graphite gray, shadow grey and pearl nickel - Minima 3.0 Sketch organizes your spaces in a creative and functional way.

Made of 100% recyclable aluminum, it is available in a monochromatic version and can be equipped with open units, units with flap door or two-drawers units.

A versatile and dynamic system, at home or in the office, which thanks to the possibility of customization responds to the different needs of style, environment and personality.

STRUCTURE

Frames and shelves made of extruded aluminium and assembled by mean of a concealed joining system, giving the structure stability and a special load resistance. Depth 33 cm.

Frame in aluminium, section 1.5x1.5 cm and shelf 1.5 cm.

End frames are equipped with an extruded aluminium pressure cap.
